Bilateral Meetings

- Tuesday 09:30 - 16:00

Description

Chrono Ltd. is a company for the production and packaging of the mixtures of specialized flour for unleavened bread floured with herbs and seeds. Chrono Ltd began its development in September 2017 within the entrepreneurial incubator, and by April 2018, it had a test production, experiment with its products on the market guided by Lean methodology principles. After market validation of ready-made mixture concept for non-yeast bread, it's invested in modern production line that allows packaging in protected atmosphere and prolong shelf-life up to two years, preserving product in a best way in category from local offer.

Chrono has developed, as separate brand, a line of herb mixtures "Magic Garden" (www.magicnabasta.com), that is accompany products to its bread mixtures, and in a same time independent competitive products.

Moreover Chrono Ltd is a social enterprise that act responsible in every loop of production and procurement chains, promote local art and establish fair relations with its employees, on the base of mutual respect.
