Description

Bibli is a meat production and processing company that manufactures unique products based on traditional local food preparing processes. Carefully selected pieces of meat are cooked in an old fashioned manner. The product range include traditional pork meat snack called čvarci (чварци), sometimes internationally recognized as pork rinds or pork scratching, but with different texture and taste, and domestic pork fat, popular due to its nutritius and cooking properties. Bibli is always in the mission of improving consumer's experience and maintaining quality in accordance with the highest international food safety principles. The company has achieved a high degree in quality and standardisation. The production continusly meets ISO 22000 and HACCP standards. Bibli has received many domestic and international awards. The company has been recently awarded by the Superior Taste Award by iTQi with one Golden star (notable tasting product) for both of our products in Brussels, and was awarded with the AAA Gold Bisnode Certificate for the highest creditworthiness rating in 2017. Bibli d.o.o. je preduzeće za proizvodnju i preradu mesa koje spaja tradicionalan način proizvodnje sa savremenim standardima higijene i bezbednosti hrane. Pažljivo birane komade mesa obraduju se na starinski, zanatski način. Bibli proizvodi obuhvataju domaće čvarke, koji se proizvede po više vekova staroj srpskoj recepturi, i domaću svinjsku mast, koja je prepoznatljiva po svojim nutritivnim vrednostima i visokoj tački dimljenja. Kompanija Bibli želi da konstantno poboljšava iskustvo i zadovoljstvo kupaca svojim proizvodima, dok istovremeno održava visoke internacionalne standarde kvaliteta hrane. Bibli je sertifikovan od strane Quality Austria za uspešno primenjivanje standarda za bezbednost hrane ISO 22000 i sistema upravljanja higijenom HACCP. Firma Bibli dobila je najviši AAA Gold sertifikat, čime je potvrđena bonitetna izvrsnost firme od strane švedske grupacije Bisnode AB. Kompanija je posebno ponosna na osvojenom priznanju Superior Taste Award koje mu je 2018. godine u Briselu dodelio International Taste & Quality Institute. U poslednjih godinu dana dobijeno je i specijalno priznanje na Međunarodnom sajmu etno hrane i pića u Beogradu, kao i dve zlatne medalje na Međunarodnom poljoprivrednom sajmu u Novom Sadu.
