Description

Basket is a family run company, based in Golubinci, in the heart of the fertile Srem plain. Our main activity is production of different sort of whole grain snack. We have created a unique product line of different shapes, textures and flavors, and all that made of whole grain flour, with no additives or preservatives added, all suitable for vegetarians. We believe that food production must be based on sound grounds and that why the family recipes and the traditional methods, together with the careful selection of the high-quality natural raw materials without any additives, are our greatest allies. High quality of Basket product is guaranteed by: HACCP, ISO 9001 and FSSC 22000 certificates. Also, Basket - made by hand is the proud owner of numerous domestic awards and recognitions related to the high quality standards of its products. Product range of "Basket - Made by Hand" includes: Whole grain mix, Crunchy oat thins, Spelta sticks, Crunchy buckwheat thins, Crunchy nettle thins, Crunchy flax seed thins, Mr Ray, Salty mix, Basket 5 cracker, Whole wheat sticks with sesame and poppy seeds, Whole wheat sticks with sesame seeds, Whole wheat bats with sunflower seeds, Whole wheat bars with pumpkin seeds, Basket smoked cheese pastry. Basket je porodična firma sa sedištem u Golubincima, u srcu plodne sremske ravnice. Naša glavna delatnost je proizvodnja snack proizvoda od različitih vrsta integralnog brašna. Stvorili smo jedinstvenu liniju proizvoda različitih oblika, tekstura i ukusa, a sve od integralnog brašna, bez aditiva i konzervansa, posno i pogodno za vegeterijansku ishranu. Verujemo da proizvodnja zdrave hrane mora da stoji na zdravim osnovama, te iz tog razloga porodična receptura i tradicionalan način izrade, uz pažljiv odabir visoko kvalitetnih prirodnih sirovina bez dodatka aditiva, naš najveći saveznik. Visok kvalitet Basket proizvoda garantovan je sledećim standardima: HACCP, ISO 9001 i FSSC 22000.
