Description

GST (Grand Standard Trading) is an international company based in Erbil, Kurdistan, Iraq. We are in the business of acquisition of the new and emerging markets for several large European companies. Such is the Kurdistan market, where we are present for almost five years now, and where we have established a solid position as a reliable wholesale company that delivers high quality products to our partners. From the start our main focus has been our partnership with French hypermarket chain Auchan, for which we have delivered over 500 products from our producer partners. However, as the market has recognized excellent quality and affordable prices that we offer, we expanded our customer list to many significant companies such as Carrefour, City Centre, Erbil Rotana Hotel, Divan Hotel, Holland Bazaar, Swiss Market, Aria Supermarket, Petroweld Company, Safar Oil Company and many others.
